

# Shadwell Basin Outdoor Activity Centre

## Inspiring Futures

We have recently gained funding from the Young Londoners Fund to engage young people from income deprived families most at risk of exclusion and isolation to provide a pathway towards employment.

Using outdoor and adventure sports activities as a vehicle for achievement the programme will focus on physical skill acquisition sessions, supportive workshops and mentoring sessions. These will cover team work, leadership, communication and focus on growing confidence to build opportunities towards the world of work.

Please could you kindly answer these questions to help us establish if we can provide support for your child or children who attend the Shadwell Basin Youth Club.

### Questionnaire

The answers on this questionnaire will not be shared with outside organisations and only with relevant people within our organisation in order to provide assistance to the young person concerned.
